# PROGRAMME 2026

Supporting Partners

## USER INSIGHTS

10.30 - 12.30 - CONFERENCE STAGE

Hear from previous user group attendees about their journeys in AM, across four distinct topic areas

### BUSINESS CASE

**10.30** JLR - Building Effective Business Cases for AM in the Automotive Industry

### ADOPTION

**10.50** ROLLS ROYCE - Reflections of introducing AM into an aerospace prime

### SCALING AM

**11.10** NESTLE - Scaling Innovation: How Nestlé UK Smashed AM Savings Targets

### WORKFORCE

**11.30** GKN Aerospace - Shaping the AM Workforce: How Internships Create Real-World Engineers

### PANEL SESSION

**11.50** AM in Practice - Insights from JLR, Rolls-Royce, Nestlé and GKN Aerospace

## NETWORKING LUNCH

Connect with fellow User Group Attendees over complimentary lunch

12.30 - 14.00

## BREAKOUT SESSIONS

14.00 - 16.00 - VIP LOUNGE

Join targeted breakout sessions designed to share experiences, address challenges, and progress industry wide discussions

- Two types of breakout sessions will run in parallel.
- After one hour, groups will swap so all attendees experience both session formats.

### SESSION 1

Attendees sign up to topic-led discussions aligned to the morning programme:

BUSINESS CASE | ADOPTION  
SCALING AM | WORKFORCE

### SESSION 2

Smaller, focused group discussions based on specific topics submitted by attendees, grouped by common interests.

## EVENING SOCIAL

Join us for complimentary Food, Drinks and Entertainment

17.00
